

Key Updates – July 13, 2026

Terms of Service

We have updated our Terms of Service to reflect enhancements to our Services and improve clarity around your rights and responsibilities.

- **AI-related provisions**
Added provisions addressing potential AI-powered features, including guardrails for acceptable use and clarification on limitations of AI-generated outputs.
- **Enhanced acceptable use restrictions**
Expanded rules governing misuse of automated tools and reinforced expectations for lawful and professional use of the Services.
- **Expanded content and data rights**
Clarified CorporateConnections' rights in managing user content and strengthened intellectual property and data usage provisions.
- **Strengthened enforcement rights**
Expanded ability to suspend or terminate accounts and remove content where necessary.
- **Clarifications on data use and cross-border transfers**
Enhanced clarity regarding processing of personal data and transfers across jurisdictions.

Privacy Policy

We have updated our Privacy Policy to enhance transparency, strengthen protections, and reflect evolving legal requirements.

- **Clearer accountability for your data**
Clarified which CorporateConnections entities are responsible for processing personal data and how accountability is determined.
- **Alignment with U.S. privacy requirements**
Added references to a Multi-State Notice to reflect updated U.S. privacy laws.
- **More transparency on data collection**
Expanded descriptions of categories of personal data collected.
- **Enhanced protections for sensitive data**
Strengthened safeguards and clarified that sensitive data is processed only where necessary and with appropriate consent where required.
- **AI-related disclosures**
Added information to address potential future AI-powered features, including how personal data would be handled if such features are introduced.
- **Clearer explanation of legal bases**
Expanded explanation of processing grounds such as consent, contract, legitimate interests, and legal obligations.

- **More transparent data sharing practices**
Clarified distinctions between service providers and independent partners and limited marketing-related sharing without consent.
- **Greater visibility into third-party providers**
Introduced a Vendor & SDK Register providing transparency on key vendors and safeguards.
- **Strengthened cross-border transfer protections**
Enhanced safeguards for international transfers of personal data.
- **Expanded explanation of user rights**
Improved clarity on user rights, including access, correction, deletion, and withdrawal of consent.

What These Updates Mean for You

- Improved transparency and clarity
- Strengthened data protection safeguards
- Alignment with evolving laws and technologies
